Multilingual Digital Services – Audio & Visual

Remote Simultaneous Translation - Audio

- We provide remote simultaneous translations for all types of events, no matter where it is held.
- Presenters speak in their language, and attendees may choose to hear it in English, Spanish, Portuguese or other languages.
- We can make your event a success regardless of languages, nationalities, number of attendees, discussion topics, meeting location or settings.
- You can reach a wider audience if you offer access to Spanish, English, Portuguese or other languages.
- We ensure that the translation/interpretation that we provide is of the utmost quality.
- These events across language barriers do not require fancy expensive equipment.

Examples of environments for these services:

- Business, government and educational functions
- **Business Meetings**
- Classrooms, Lectures, Workshops, Seminars, Trainings
- Courtrooms
- Religious services
- Conventions and conferences
- Weddings, funerals and other personal events
- Civic events, such as town council meetings
- **Cultural presentations**
- Recreation or entertainment events

Live Streaming Text - Visual

- We offer live streaming text/captions to English or Spanish.
- Your audience can choose to listen to the speaker's voice and read the text of what is being said in their own
- Also known as Communication Access Realtime Translation (CART), or live event captioning, it gives you immediate, voice-to-text translation at any type of event.
- Live streaming text can be displayed on a screen, monitor, or other visual display system.
- We provide individuals an opportunity to have equal access to information to any type of event in English or Spanish.

to Everyone.
